Standard Cover:

This cover carries an excess of R/N\$ 50,000.00 which is applicable in the event of any accident or damage to either our vehicle or third party property. This excess of R/N\$ 50,000.00 is pre-authorized on the renter's Visa or MasterCard credit card at the time of collection. Funds will only be deducted from this amount, should the renter return the vehicle and/or equipment in a damaged condition or for any 3rd party damage. If no claims exist, this excess is released within 21-30 working days from date of return, by the renter's financial institution. Standard Liability Cover does not include repair to or replacement of tyres and windscreens/glass.

Medium Cover:

A Daily rate is charged as per your quotation/rental agreement detailed as Medium Cover. This waiver REDUCES YOUR EXCESS to R/N\$25 000.00 and is applicable to the vehicle and third party property damage and includes the cost of replacing or repairing of 1 x windscreen/glass, 1 x rim and 1 x tyre, refer to clause "**Accidents**" for exclusions. A security deposit of R/N25 000.00 is pre-authorized on the renters Visa or MasterCard credit card at the time of collection. Funds will only be deducted from this amount, should the renter return the vehicle and/or equipment in a damaged condition or for any 3rd party damage. If no claim exists, the excess is released within 21-30 working days, after date of return, should all the terms and conditions be adhered to.

Super Cover:

This cover is a NO EXCESS cover and is applicable to the vehicle and third party property damage and includes the cost of replacing or repairing of windscreens, rims & tyres, radio theft and recovery costs. A security deposit of R/N\$5,000.00 is pre-authorized on the renter's Visa or MasterCard credit card at the time of collection to ensure that the vehicle is returned to the agreed location, on the agreed date, in a clean condition and no items are lost or damaged. This security deposit is fully refunded within 21-30 working days, after date of return, should all the terms and conditions be adhered to.

CLAIMS HANDLING FEE

A handling fee of R/N\$750.00 is charged on all claims submitted, irrespective of the liability cover option taken.

ACCIDENTS

Single vehicle accidents are included in all liability cover options, except in the case of roll-overs. In case of damage to the vehicle rented, the following will apply:

The incident:

All accidents must be reported to the supplier, and by law, to the Local Police within 24 hours. An AR (accident report) number from the police must be obtained at the time of reporting the incident. This proves that the accident has been registered. Failing to report accidents may void all liability cover and the renter becomes fully liable for all costs. We advise you to take as many photographs of the accident scene and also obtain the third party details when applicable. These can be recorded on the reverse side of the rental pack envelope supplied to you on collection. We also suggest you take a photograph of the driver's licenses of the persons involved. An accident report which is provided in the RENTAL PACK, must also be completed. These documents and records of evidence will be submitted to the supplier in order to process the incident.

The vehicle:

The renter is responsible for the recovery of the damaged vehicle to the original rental branch depending on the liability cover option taken. A replacement vehicle will only be dispatched once payment of all damages / recovery costs to the first vehicle is made. The supplier reserves the right to withhold a replacement vehicle; this does not entitle the client to any claims against the supplier.

If the renter requires a replacement vehicle to be delivered, charges will be levied according to the liability cover option taken on the rental.

If the renter is not able/willing to take a replacement vehicle, no refunds for early termination of the contract will be considered.

Should the renter continue with a replacement vehicle, this vehicle will be noted under the current rental contract and standard cover will be applicable. This includes a new R/N\$50,000.00 pre-authorisation on the nominated credit card. Medium and Super Waiver Cover is not available on a replacement vehicle (irrespective of which party is at fault).

Should the applicable excess be charged, and should the supplier be successful in the reimbursement of that amount by the 3rd party, this amount will be refunded to the renter. This process could take up to three years.
